**CALL FOR PAPERS | 1ST INTERNATIONAL PHD SEMINAR ON THE COLD WAR | 28.03.2022 - 03.04.2022 | GDANSK**

We would like to invite the applications for the 1st International PhD Seminar on the Cold War to be held 28.03.2022 - 03.04.2022 in Gdansk.

The 1st International PhD Seminar on the Cold War provides international PhD students with the opportunity to present and thoroughly discuss their PhD projects. Additionally, it offers workshops held by visiting scholars. We encourage applications that range broadly across the arts, humanities, and social sciences and pursue an interdisciplinary approach. Participants can present papers on any subject relating to the Cold War. The accepted projects will be arranged into a few panel groups. Participants are requested to prepare a 20-minute presentation of their research project, which will be followed by a 40-minute discussion.

The First International PhD Seminar on the Cold War aims to create a congenial atmosphere for scholarly exchange in order to inspire future collaborations and foster networking opportunities for participants.

Due to the ongoing pandemic the organisers reserves the right to adapt the conference structure and host the event online or in a hybrid format if necessary.
